ABOUT MEI INDUSTRIAL CORPORATION

Established in 1999, MEI has an experience of over 25 years in manufacturing safety matches.

MEI has been serving their safety matches to several markets in West Africa, North Africa, South Africa and Middle East.

The clients are our biggest inspirations, every client comes with a new set of energy and a new sense of thought that they want to convey to the crowd. The urge to get their vision to life has thrived us to get to this stage and helped us create a new moodboard to life. This inspiration has always helped us pick a different perspective for them. With our superior quality standards we have developed and established prominent brands like:

- DALA GOOSE
- KANGAROO
- AL FIRSAN
- G STAR GOOSE

We are a Government of India Recognized Two Star Export House and an ISO 9001: 2015 Certified Organizational.
